

Valued Guest,

On behalf of the Holiday Inn Express & Suites, please know that we are privileged and excited to provide accommodations for your upcoming visit to the St George Utah area. In order to provide ease in booking your reservation, we have created a booking link that will take you to your personalized reservation page for your group. You will notice that the group code and negotiated rates are already populated. **You will need to enter arrival & departure dates.** If you feel more comfortable calling in to make your reservation, please do not hesitate to do so.

During your stay you will have free access to our year round swimming pool and whirlpool hot tub, along with our 24 hour fitness room and business center. Also included is our complimentary breakfast buffet and high speed internet throughout the entire property. If you are already a Priority Club Member you will receive your reward points. If not, we invite you to take time upon arrival to sign up so you can receive reward points to be used in various ways in the future. Our front desk agent will gladly enroll you.

If I can answer any questions or if I can be of assistance, feel free to contact me. Again, we look forward to your arrival and are committed in making your stay enjoyable.
